To the Tartan Army

**Georgia v Scotland Euro 2016 Qualifier Game, 4<sup>th</sup> September 2015**

Now that the Scotland Fans have left, I wanted to take some time to write to thank you personally for the wonderful spirit your presence brought to Georgia for the game, and for your generous charity contribution to the local Temi community. I know they appreciated your support enormously, which will help them in their work to provide a caring and stimulating environment to children and adults with special needs, as well as to children without families, and to elderly people.

Though the result of the match was not the one we wanted, once again, the Tartan Army proved themselves to be terrific Ambassadors for Scotland, with exemplary behaviour both at the game, and elsewhere, and all of us at the embassy were proud and honoured to witness your presence here.

Once again, I thank you sincerely for your donation, which is very much appreciated. And may I wish all the best for Scotland in its future matches. You have left many friends here.

Yours sincerely,

A handwritten signature in purple ink that reads "Alexandra Hall".
